Rishabh Bhardwaj

Direct Customer

Irving, TX & Jacksonville, FL

Dear Rishabh Bhardwaj,

I am writing to express my interest in the Sr. Python Developer position at Direct Customer, as advertised. With over 15 years of experience in software development, particularly in Python and AI-driven applications, I am confident in my ability to contribute effectively to your team.

Throughout my career, I have demonstrated proficiency in Python, FastAPI, and various AI/ML libraries, which aligns well with the requirements of this role. My experience in integrating AI functionalities into applications and optimizing model performance ensures that I can deliver high-quality solutions that meet your organization's needs.

I am particularly drawn to this opportunity because it allows me to leverage my skills in a dynamic environment, where I can drive innovation and efficiency. I am excited about the prospect of working onsite in Irving, TX & Jacksonville, FL, and contributing to the success of your projects.

Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your team. Please feel free to contact me at your convenience.

Sincerely,

Cary Jones
