Dear Deependra Kumar,

I am writing to express my interest in the Senior Full Stack Developer position at Tekaccel Inc. With over 15 years of experience in software development, specializing in Python and React.js, I am confident in my ability to contribute effectively to your team.

My extensive experience in designing and developing scalable web applications, combined with my proficiency in cloud platforms like AWS and GCP, makes me a strong fit for this role. I have successfully led cross-functional teams in delivering high-quality solutions, and I am eager to bring my expertise in AI-assisted development tools such as GitHub Copilot and Cursor to enhance your engineering processes.

I am particularly drawn to this opportunity at Tekaccel Inc. because of your commitment to leveraging modern technologies and best practices to drive technical excellence. I am excited about the prospect of collaborating with your team to deliver innovative solutions that meet your clients' needs.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your team.

Sincerely,

Cary Jones
