Your Application with ■URA

From: "■URA Recruiting" <no-reply@appreview.gem.com>

Hi Cary,

Thank you for taking the time to apply for the Senior Backend Engineer (Python) position at ■URA. We appreciate your interest in our team and the opportunity to review your background.

At this time, we have decided to move forward with other candidates. We received many strong applications, making this a highly competitive process.

As a fast-growing company, we are always looking for new talent, and we encourage you to check back for future opportunities that may align with your experience.

Thank you again for considering ■URA, and we wish you the very best in your job search.

Best regards,

■URA Talent Acquisition Team

Update on Your Application for Software Engineer at Valon

From: Valon Tech Hiring Team <no-reply@ashbyhq.com>

Hi Cary,

Thank you for your interest in the Software Engineer role at Valon. Unfortunately, we have decided not to move forward with your candidacy at this time.

Although this position did not work out, please keep an eye out for any <https://www.valon.ai/about#careers> we list going forward that you feel fit your experience. We will also keep an eye out if we feel another of our open roles match your experience.

Best of luck with what your career brings in the coming months!

Best,

Valon's Recruiting Team

#3 · Indeed Acquisition · Aug 18, 2026

We have an update on the outcome of your Software Engineer II application at Indeed

From: Indeed Talent Acquisition <donotreplytalentacquisition@indeed.com>

Hi Cary,

Thank you for your interest in the Software Engineer II (Ref ID: 47583) position at Indeed. We appreciate the time you have taken to submit your application.

We have received a lot of interest in our openings. This level of interest leaves us with some difficult decisions to make, and unfortunately, we won't be further considering your application.

Putting the job seeker first is one of our core values, so whether your next role is at Indeed or you find it using indeed.com, our mission is to help people get jobs.

Check out all the helpful career advice we offer here.

We encourage you to keep an eye on career opportunities at Indeed by following our company page and hope you consider applying in the future.

Best,

Indeed Talent Acquisition Team

■ Update on your interview process with Scribd, Inc.

From: "Scribd, Inc. Hiring Team" <no-reply@ashbyhq.com>

[<https://app.ashbyhq.com/api/images/user-content/693cb87f-70b8-4e03-a899-bcb699d46a4f/e58ea5f5-c7c1-4bcd-9c96-760530528f63/image.png>]

Hi Cary,

Thank you for taking the time to apply to the Senior Backend Engineer (Python) role. We're truly inspired by the talented people who find their way to us and we're grateful that you included us in your search. Unfortunately, we've recently filled this position and will not be able to move forward with your candidacy for this role.

We're always on the lookout for talented people like you who share an interest in advancing human understanding, so we encourage you to keep an eye on our <https://www.scribd.com/careers> for new opportunities.

We hope that you'll remain enthusiastic about our company and wish you all the best!

Kindest Regards,

Talent Team at Scribd, Inc.

#6 · SentiLink Acquisition · Aug 10, 2026

SentiLink Application Follow-up

From: SentiLink Talent Acquisition <no-reply@ashbyhq.com>

Hi Cary,

Thank you for your interest in SentiLink! There are a lot of qualified candidates who have applied to this position, and unfortunately, we've decided to move forward with other applicants at this time. That said, your interest means a lot to us—so if there's any role in the future that aligns with your experience or background, please feel free to apply.

We wish you the best of luck in search.

Regards,

SentiLink Talent Acquisition

#7 · Rebuildmanufacturing · Aug 07, 2026

Thank you for your interest in a career with RE:Build

From: no-reply@rebuildmanufacturing.com

Hello Cary,

Thank you for your interest in the Senior Software Engineer position at Re:Build Manufacturing. We have received a large number of applications, and unfortunately, won't be able to invite you to the next stage of the hiring process. We will keep your application on file and get in touch about future opportunities that may be a match for your skills and experience.

We appreciate your time and effort to submit your application, and encourage you to apply for other positions at Re:Build Manufacturing in the future. As a growing family of businesses, we continually add new positions so please continue to search our Careers Page (<https://rebuildmanufacturing.com/careers>) for opportunities that might be of interest to you.

Follow us on LinkedIn (<https://www.linkedin.com/company/re-build-manufacturing/>) for the latest job opportunities, career resources, and hiring events.

Again, thank you for your curiosity about Re:Build Manufacturing.

Regards,

Re:Build Manufacturing Talent Acquisition Team

#8 · Greenhouse Mail · Aug 02, 2026

Thank you from Tatari

From: no-reply@us.greenhouse-mail.io

Hi Cary,

We wanted to extend a virtual wave and thank you for your interest in the Senior Backend Engineer role. At this time, we have decided to move forward in the process with other candidates whose experience speaks more directly to our current needs. We wish you the best in your search and encourage you to periodically visit the Tatari Career page (<https://www.tatari.tv/careers>) for other opportunities.

All the best,
Tatari

#9 · Sift · Jul 29, 2026

Thank You for applying to Sift

From: Sift Talent Team <no-reply@ashbyhq.com>

Hi Cary,

Thank you for taking the time to apply for the Software Engineer, Backend role at <http://siftstack.com>. We truly appreciate the opportunity to review your background and experience.

After careful consideration, we have decided not to move forward with your application at this time. However, we'll keep your information on file should another opportunity arise that aligns more closely with your skills and experience.

We sincerely appreciate your interest in Sift and wish you the best in your job search and future career endeavors.

Best,

The Sift Talent Team

#10 · Thrive Market · Jul 27, 2026

Thanks for your interest in Thrive Market

From: Thrive Market Recruiting <no-reply@appreview.gem.com>

Hi Cary,

Thank you for your interest in Thrive Market and for taking the time to apply.

After a thorough review of your qualifications, we've decided to move forward with other candidates for this role. We received a high volume of strong applications, and with only one opening available, we were faced with several difficult decisions during the selection process.

We understand how important timely communication is during a job search and wanted to ensure we provided you with a clear update. While we're unable to offer individual feedback due to the number of candidates we're reviewing, please know that we truly appreciate the time and effort you put into your application.

Thank you again for considering Thrive Market. We wish you all the best in your ongoing search.

Thrive Market TA Team

#11 · Nearform · Jul 22, 2026

Nearform Application update

From: no-reply@nearform.com

Hi Cary,

Thank you for taking the time to apply for the Senior Software Engineer - Python position at Nearform.

We regret to inform you that after reviewing the applications received for this position you have not been shortlisted for an interview.

Thanks again for your interest in Nearform, we wish you all the best for the future.

Warm regards,
Nearform Hiring Team

#12 · Nextdoor · Jul 21, 2026

Thank you from Nextdoor

From: Nextdoor Recruiting <no-reply@appreview.gem.com>

Hi Cary,

Thank you so much for taking the time to apply for the Senior Software Engineer - Backend role. We know a lot of thought and consideration went into your application, and we genuinely appreciate your interest in joining the team here at Nextdoor. Unfortunately, we have made the decision to move forward with other candidates whose experience more closely aligns with our team's needs.

Thanks again for your interest in Nextdoor! We wish you the best of luck in your current search.

Regards,
The Recruiting Team at Nextdoor

#13 · Telnyx · Jul 17, 2026

Thank you for your interest in the Software Engineer, GTM AI - Python role at Telnyx

From: no-reply@telnyx.com

Hi Cary,

Thank you very much for your interest in Telnyx. We're fortunate to have a significant amount of interest in the Software Engineer, GTM AI - Python role and after careful consideration, we regret to inform you we're not moving forward in the interview process.

Your information will remain on file for future consideration and we'll contact you if your status changes. We also encourage you to keep an eye on our Careers Page for other roles that might be a fit:

<https://telnyx.com/company/careers>

Thanks again for your interest in Telnyx and best of luck.

Best Regards,

Application Status Update

From: NoReply@cybercoders.com

Hi Cary,

Thank you for the time and effort you invested in applying for roles with us. We wanted to provide you with an update on your application status.

We will not be moving forward with your candidacy for the following roles:

* REMOTE Senior/Staff Backend Engineer - Java - Los Angeles, CA

We encourage you to continue exploring other opportunities on our website, as new jobs are posted regularly. Your skills and experience are valuable, and we hope to see your application for future roles.

Thank you once again for considering us. We wish you the best in your job search.

Best regards,

Your Team at CyberCoders

#17 · Farmers Acquisition · Oct 29, 2025

Farmers Insurance: Thank you for your job submission

From: Farmers Talent Acquisition <noreply.careers@farmersinsurance.com>

Dear Cary,

We appreciate your interest in the Lead Python Developer - 30262 position at Farmers Insurance. Unfortunately, we have chosen to move forward in the hiring process with other candidates whose qualifications and/or experience more closely match this position.

Even though it did not work out this time, we would still encourage you to continue to pursue a new career with Farmers Insurance. For a list of current openings and to apply online, please visit our website at <https://www.farmers.com/careers/corporate/>. Be sure to set up a job alert since the list of opportunities is always changing.

We value your feedback and would appreciate it if you could take a moment to complete our short, confidential survey about your experience with us.

Please note that this e-mail only pertains to position Lead Python Developer - 30262. If you have applied for other positions with us, you may still be in consideration for those positions.

Thank you for your interest in joining the Farmers Insurance team. We hope we have the opportunity to consider you for other positions in the near future.

With kind regards,

Farmers Insurance Talent Acquisition

#18 · Centurylink · Sep 18, 2025

Lumen - Thank You for Your Interest!

From: "no-reply@centurylink.com" <mylink.admin@centurylink.com>

Hi Cary,

Thank you for your interest in the Lumen position of Lead Software Developer , on requisition number 339173 . We sincerely appreciate your interest in this position. Unfortunately, at this time, we've decided to pursue other candidates whose qualifications better align with the role.

The journey doesn't have to end here - let's stay connected! Visit our Careers Site often and keep an eye out for other opportunities. While you're there, set up a personalized job alert to notify you of new openings, and join our Talent Community for company news, career tips, and industry updates.

Thank you again, and we look forward to considering you for future positions!

Sincerely,

Lumen's Talent Acquisition Team
